REMARKS

In response to the Examiner's Amendment in the Notice of Allowability dated February 22, 2005, stating that non-elected claim 3 was cancelled. Applicants request that claim 3 be reinstated herewith, as provided by 37 CFR 1.141 which states: "more than one species of an invention not to exceed a reasonable number, may be specifically claimed in different claims in one national application, provided the application also includes an allowable claim generic to all the claimed species and all the claims to species in excess of one are written in dependent form or otherwise include all the limitations of the generic claim." Therefore, as generic claim 1 is allowed, and claim 3 is a species of claim 1, and claim 3 is dependent on claim 1, claim 3 should therefore be reinstated and be allowed. Therefore, Applicants respectfully request that claim 3 be reinstated.

Please charge any deficiencies and credit any overpayments to Attorney's Deposit Account Number 09-0456.

Respectfully submitted,
